

Upgrade Your Irrigation Controller!!!

Call **Lincoln Underground** today to make your Irrigation System accessible from your Smart Phone or Tablet!

The New Rain Bird LNK WiFi Module allows easy access and control of a Rain Bird Irrigation System from anywhere in the world. With the LNK WiFi Module and Rain Bird's FREE mobile app, users get access to off-site management, real-time alerts and advanced water management tools via their smart phone or tablet.

Best of all, you can upgrade existing ESP-ME installations by simply installing a new WiFi-compatible front panel and LNK WiFi Module, without having to replace the entire unit!

Also, by adding on a Rain Bird Wireless Rain Sensor and using the available Predictive Watering Schedule, homeowners can experience up to a 30% Water Cost Savings!
